Vision

"To become a world leader in the express and logistics industry by flexibly responding to evolving customer needs and delivering pioneering solutions to address them."

Mission

When interacting with a customer with their unique logistical challenges, we get inspired and energized to deliver the best. We tackle each challenge in a multi-faceted way using creativity, logic, technology and technical expertise to provide the most innovative, cost effective logistical and specialized supply chain solutions. We are committed to providing exceptional customer care and individually customized solutions to meet our client's unique logistics challenges. We aim to be the leading express services provider in Pakistan and are working towards increasing our operational strength and expanding our network.

Values

We promise to deliver high value services and put our clients first. We will strive to improve individual performance to provide outstanding quality. We will innovate to address individual customer needs and be flexible in our approach. We recognize that teamwork is an essential element of our success and that we can only be better by working together. We will be socially responsible, respect the environment and work to improve the community.

Profile

Blue Ex is a company dedicated to its clients and driven by performance to add value to your business. We partner with our clients to deliver exclusive benefits and optimized solutions that enable them to gain an edge in their industry.

Blue Ex provides premium express courier services to meet all your daily business to business time-sensitive delivery requirements. We are in the business of moving documents and carriage-able goods in a timely, reliable and secure manner from point of origin to destination while providing our clients with complete information about each movement. With a substantially diversified customer base, we are committed to providing services to our highly valued clients to ensure safety, security, reliability, and time efficiency through our state-of-the-art technology and dedicated team of professionals.

Blue Ex operates under the umbrella of Universal Network Systems (UNS) group of companies. UNS has been a leading complete transport solutions provider in the logistics industry for the past 21 years. A strong portfolio of companies in Freight forwarding, Passenger and Cargo GSA's, Travel and Tourism and Information Technology, enables Blue Ex to enjoy unmatched advantages in resource sharing, technical and industry expertise in order to provide customized solutions and close monitoring for each client. The UNS group of companies includes the following business units:

Under the umbrella of Universal Network Systems, Blue Ex for its material enjoys the flexibility of preferred convenient connections throughout the country not only with the national flag carrier but also with all the domestic carriers in the country, which gives Blue Ex an unmatchable edge in terms of delivery timings.

While on the International front, we enjoy strong associations with major integrators providing us an unmatched edge whereby we route our customer's valuable shipments keeping the strength of each integrator in concern.

Management

Blue Ex is managed by a team of professionals considered to be icons and responsible for the growth of the courier industry in Pakistan. At Blue Ex, we are result oriented and performance driven, and aim to provide our clients with tailor-made solutions to add value to their businesses. With a team of young professionals from a diverse background and employee strength of 100+, we tackle each challenge in a multi-faceted way using creativity, logic, technology and technical expertise to provide innovative and cost effective solutions for our customers.
